

A photograph of a large, rectangular sign mounted on a brick wall. The sign is white with red and blue lettering. The text on the sign reads "GARRAW ATHLETIC FIELD HOME OF THE PIRATES". The sign is mounted on a brick wall that has a decorative pattern of horizontal and vertical lines. The background shows a grassy field and a distant structure.

LIFE OF 100

THE
SWORD

PRESENTED BY
GARAWAY HIGH SCHOOL

*We Dedicate
The 1971 Sword
To
Cynthia Sue Schlarb*

An arpeggio of prayer rises to the sky,

As we dedicate this book to one of days gone bye.

To Cindy, once our classmate who is no longer
here,

To her who taught us sorrow and brought a silent
tear.

To one who God has plucked from our crowded hall.

To her our thoughts wander during a silent lull.

To Cynthia Sue Schlarb we dedicate our Sword,

Along with a thank you for her short presence, Lord.

Administration And Faculty

From cradle to grave this problem of running order through chaos, direction through space, discipline through freedom, unity through multiplicity, has always been, and must always be, the task of education.

The Education of
Henry Adams, 1907

FACULTY EDITOR
Gayle Hahn

SITTING: John Young, William Edgar, Charles Mullet. STANDING: George Smith, Doran Immel, Jack Zinkon.

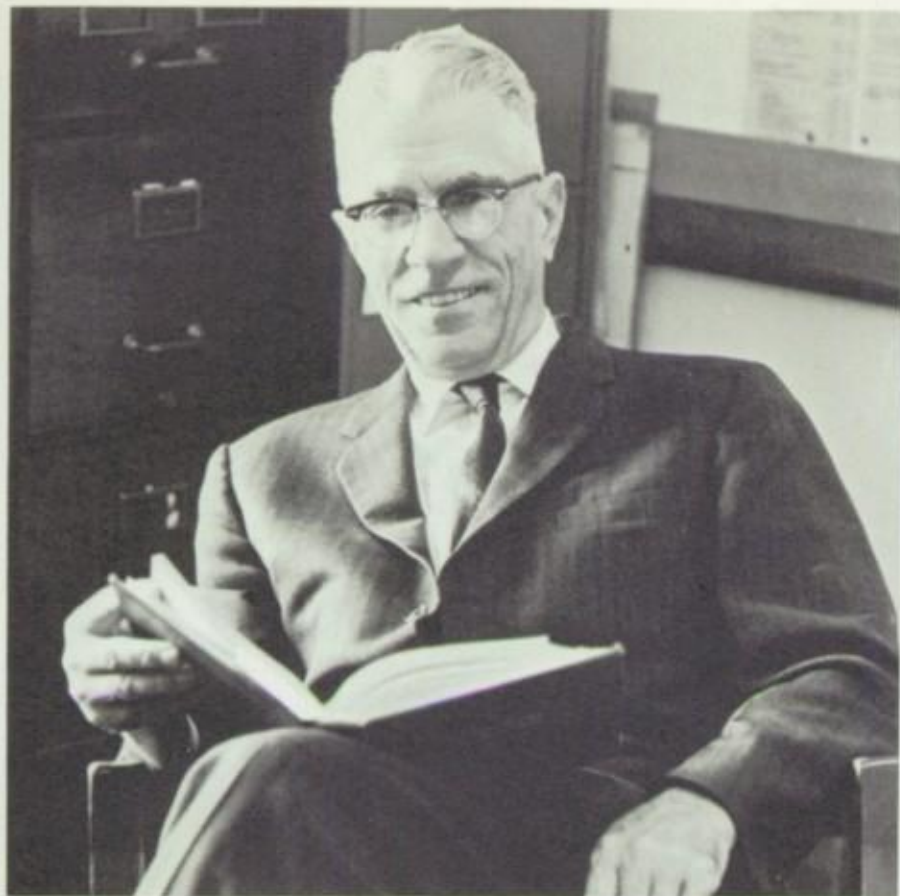

Board Of Education

For each of us whose picture is herein, Garaway represents an experience. True, the experiences may vary in kind, in strength, and in value; however, we cannot deny they have affected our lives - sometimes for the better, sometimes disagreeably. To prevent their fading beyond recall, this mnemonic volume is dedicated.

Peruse THE SWORD with care and
be glad you were here.
Each passing year will tell, loud
and clear,
Whether at Garaway
You continued life's venture
Or
In the fight, surrendered.

DONALD G. BROWN
Superintendent

After watching many students come and go through the years from the local schools, I conclude that the opportunities for a well-rounded education are now the greatest. Also, I observe that it takes the same kind of solid student effort it did years ago to take anything away from school classes or to become educated.

CLAUDE M. ZIMMERMAN
Assistant Superintendent

"Pirate Country" Graduates of 1971:

In the near future, you will decide how profitable your stay at Garaway High School has been. My hope is that your intellectual, social, and moral growth has been sufficient to cope with the pressures which will soon be placed upon you by society and yourself.

RACEY A. MORRIS
Principal

Many educational opportunities are available to all Garaway students. Our school system helps to prepare students in order that they may attain success in their future endeavors.

Wake up, this is no time for a siesta!

I don't care if it is an emergency,
you can't go!

Candid

For once you made it
on time!

In this study hall there will
be NO sleeping, No spit
balls, and NO squirt guns!

$10^2 = 1000$? Seniors,
this is your fourth year
of math?!

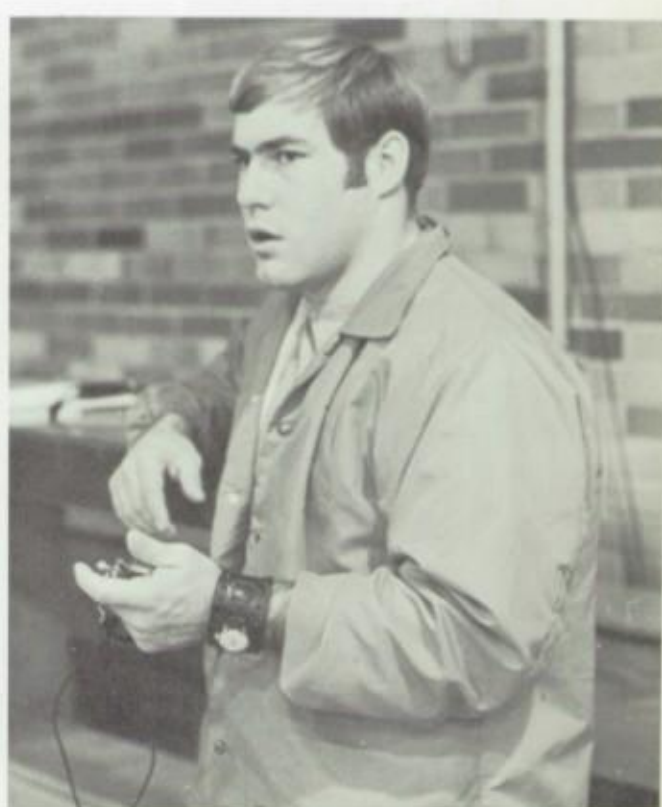

Who said Corvettes aren't
good cars?

A-a-a-a, will I be drafted?

Mirror, Mirror, on the wall?

I don't care if it is the world's

better than that!

SENIORS

The Seniors have now passed through
graduation's door,
Now each one's an individual and a
class they are no more.
Each one's going his own way, in
many a different direction,
All seeking one supreme goal, their
dreams of life's perfection.
But as they seek they remember, the
good things in the past,
Memories of Garaway High School
that will forever last.
Memories of magazine sales during
their Freshman year,
A Halloween dance as Sophomores
that filled the school with cheer.
As Juniors they sponsored a prom,
"Enchantment Under a Southern
Sky,"
And as Seniors they mapped their
futures, never letting their spirit
die.
Now that they are gone, part of us
has gone also.
But behind them there remains a
warm, reminding glow.

Soul "71"

It was 12 years ago, in 4 different towns,
When the class of "71" started out with frowns.
All we did was look ahead,
Not knowing exactly where our long road led.

But soon 6 years had quickly passed,
And most of us thought we made it at last.
We were at Baltic in the Jr. High,
Where the days quickly went by.

We were so mischievous and uncontrolled,
The teachers soon found we were quite bold.
I'm sure those teachers will never forget,
The trouble we gave them and all our wit.

Soon we were here at Garaway High,
Where the days also quickly went by.
Our times were good but sometimes marred,
By the teacher's tests which were usually hard.

And now that we are seniors,
And have finally reached our goal.
We leave behind us our motto,
"SENIOR'S "71" SOUL. "

JUNIORS

The junior class has only one more year to wait,
Until as seniors they meet graduation's date.
As freshmen they blundered, somewhat set apart,
As sophomores they found a place in each heart.
As juniors they became leaders in a big array,
And sponsored a prom, their own special day.
Their days here at school, when numbered are few,
Meet Garaway High's class of 72.

Lynn was the 1970-71 backfield threat to every opponent. His speed and determination gained many yards for the Fighting Bucs. Steve was co-captain and an outstanding lineman. Our attack depended upon Steve's powerful blocking. Ed could always be depended to place the opponents to their goal line with his fine kick-offs. Don was the best center in the conference. He allowed only one fumble during the entire year. No one moved Don W. off of the line. Less yardage was gained over him than in any other position. Jack was well respected by every opponent for his hard hitting. Our finest drive of the season began with his blocking. Dale was a one year letterman who had all the basic skills and would have played a great deal more if he had the experience.

In their first year in the Freshman League the Pirates were 7-7. They lost to Cambridge in their first tournament outing for an overall record of 7-8.

This team excels at defense. They have fine speed and quickness as well as good depth. With some hard work this team can provide Garaway fans with the kind of basketball they have gotten used to in the past few years.

Garaway's baseball team was much better than the records showed. We competed against many "AA" schools which we never faced before. Randy Gonter was our only four year letterman. Randy was the backbone of our pitching staff and had ten wins and two loses. Jack Landis and Ed Klein played left and right fields, respectively, as senior members. Both, Jack and Ed had many timely hits. Myron Shetler, Dave Walter, and Marty Lang rounded out the senior members of our 1970-71 team. Our season record was 10-11.

The season record for Golf was 12 wins and 5 losses. Two of the season's losses were to state champion Coshocton, both by close scores. Most of the opponents in Golf were AA or AAA. This season's team won the Inter Valley Championship for the 3rd straight year, was 3rd in the Sectional Tournament losing only to powerful Claymont and Coshocton, and finished 4th in the Dover Invitational.

Garaway boasted two of the best and most consistent golfers in the area is Terry Immel and Ken Winkler. Other seniors on the Varsity squad were Ted Gerber and Ned Tango, with Sophomores Ted Immel and Darrell Harvey also seeing Varsity action. Members of the Reserve team included Juniors Cliff Hartline, Duane Sampsel, and Steve Gerber, and Freshman Mark Blauch.

Clubs communicate for a school. A well-performed concert, a praiseworthy student publication, a service or scholastic club rendering a needed function all speak for a school as well as for the students involved.

That's the last time I'll use that detergent!

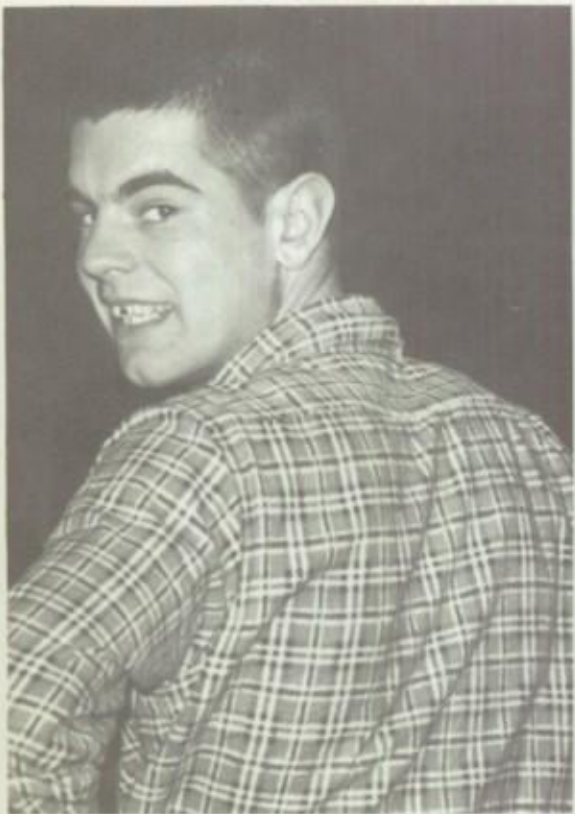

Alka-Seltzer!

Should I let this snake out now?

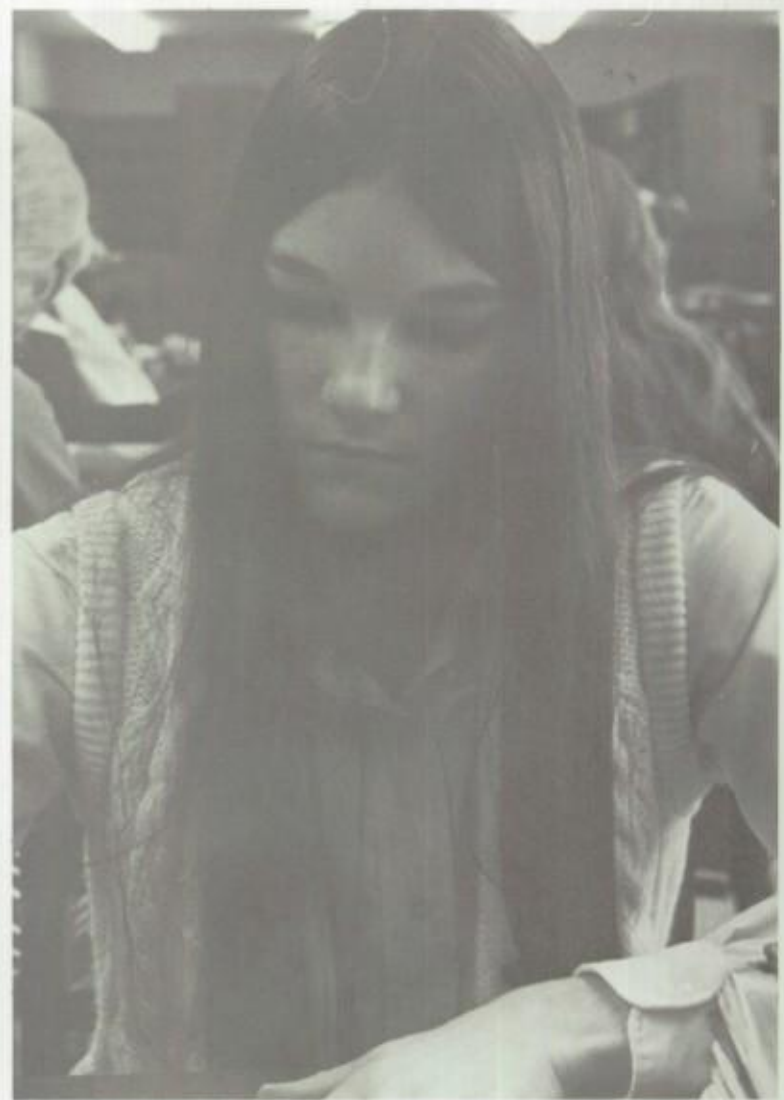

Sexy, huh!

Hey, who's that good-looking boy?

I wonder, do blondes really have more fun?

See ... there's a worm in this book.

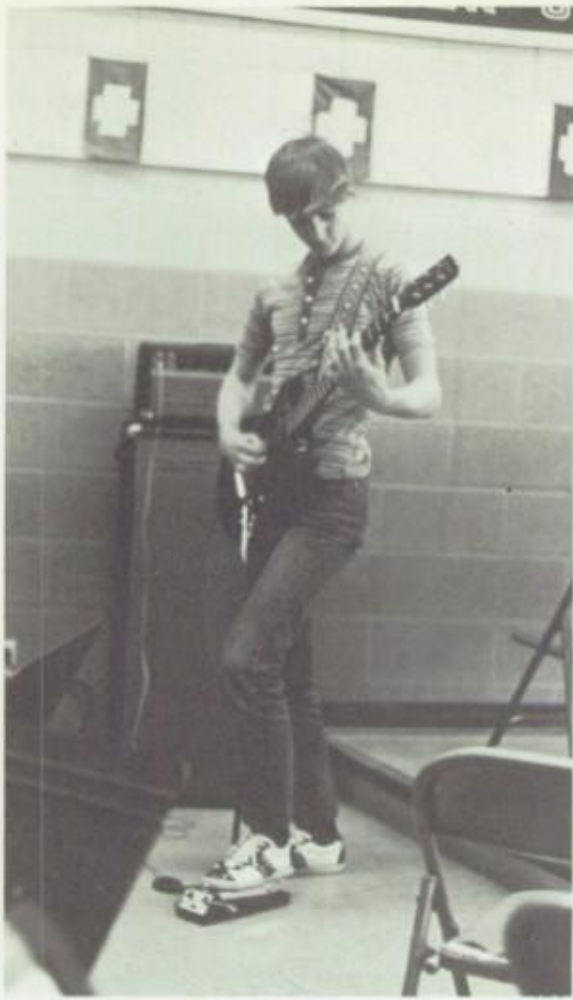

Since you insist, I'll sing a few more songs!

Don't you ever say that again!

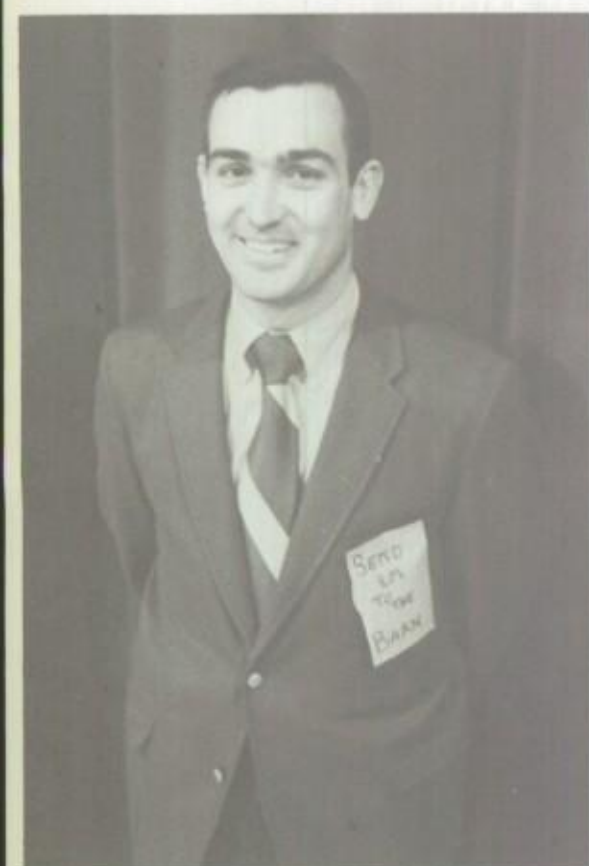

Hurrah! for Tuesdays and Thursdays?

Beats eating carrots!

Coach Of The Year

Mr. Tom Andreas received the honor of being chosen the Times-Reporter's Coach of the Year for the third consecutive year. He has been Coach of the Year as long as this contest has been in existence.

Led by Mr. Tom Andreas, the Garaway Pirates' Basketball Team became AA Sectional Champs after defeating the Claymont Mustangs and the Tri-Valley Scotties in tournament play at Coshoc-ton.

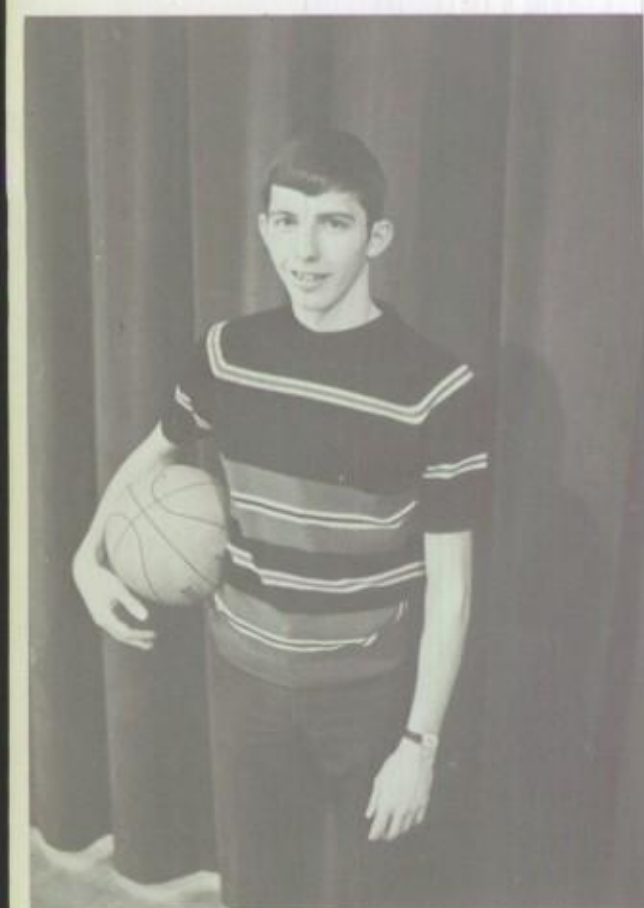

AA Sectional Champs

Beginning in 1969, the Times-Reporter began a Fabulous Five and Coach of the Year contest where winners were those who received the most votes.

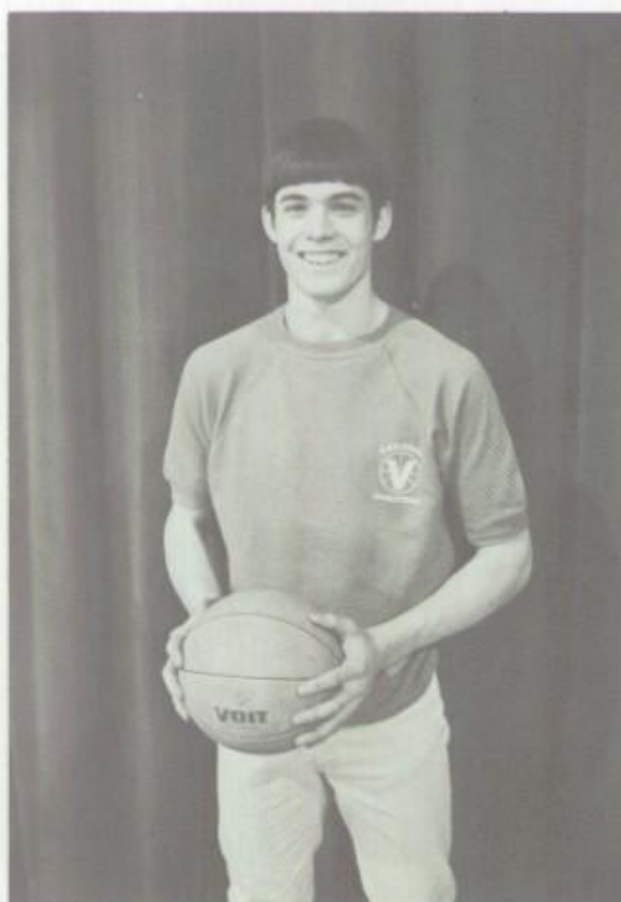

In 1969, Mike Gerber and Kim Sedwick represented Garaway. In 1970, Garaway was represented in the Fabulous Five by Larry Harding and Kim Neff.

It is a great reflection of the people of the Garaway District that each year Garaway has someone who receives this honor.

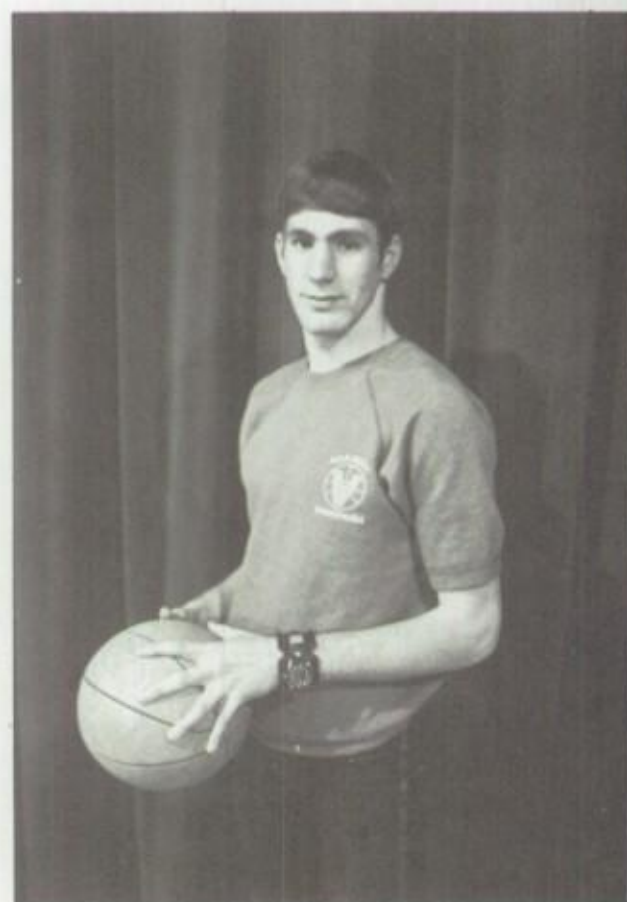

Three Of 1971 Fabulous Five From Garaway

Randy Gonter, a co-captain, is playing his second consecutive year as a varsity guard, averaging 15.5 points per game.

Despite a bad rib, 6'7" Bill Andreas has averaged 16.5 points and ten rebounds per game.

Terry Zimmerman, a 6'2" senior forward, has led the Pirates in rebounding and averaged 13 points a game.

He's got to be kidding!

Our yearbook staff, diligently working.

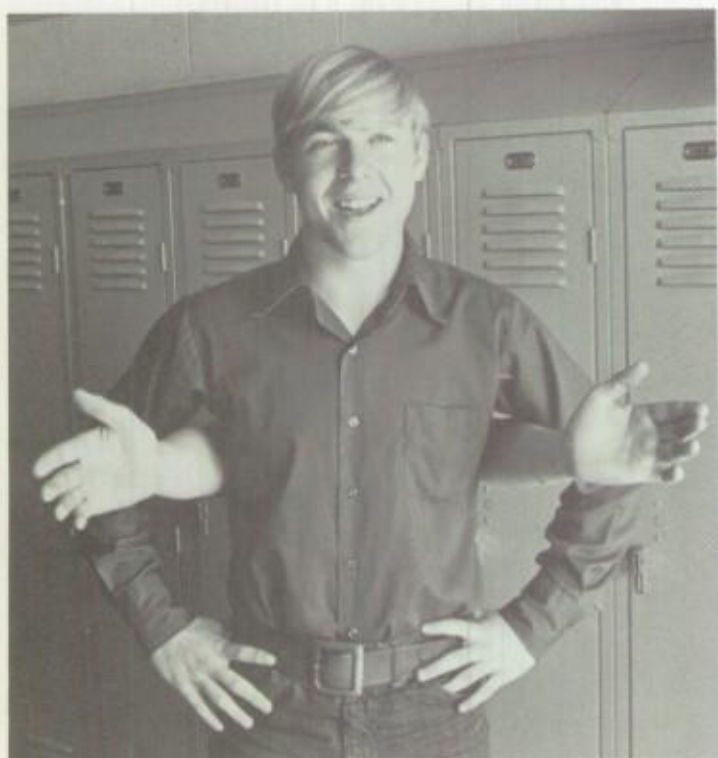

Now for today, kiddies . . .

Who knows what evil lurk in the hearts of men?

Hear no evil, see no evil, speak no evil.

That door was here yesterday,
I know it.

Oh, I did it right!

They said to make a clean sweep
of things!

Is that what that says?

Who, me!?

Some people always need help!

THE EMPTY HALL

Thousands of students have passed through this hall,
All sorts of people, some short, some tall.
Searching for knowledge both old and new,
Striving to succeed for me and you.
Today's youth, the leaders of tomorrow,
Working for peace, and no more sorrow.
Preparing for the future and what it may bring,
An era when all can be happy and sing.
This hall now appears empty, the students are gone,
But they'll return as time marches on.
There will always be young people searching for knowledge,
Preparing for life, or in some cases college.
And behind them Garaway, many memories too,
We hope this Sword has preserved some for you.

By: Sue Baab

The Year 1971

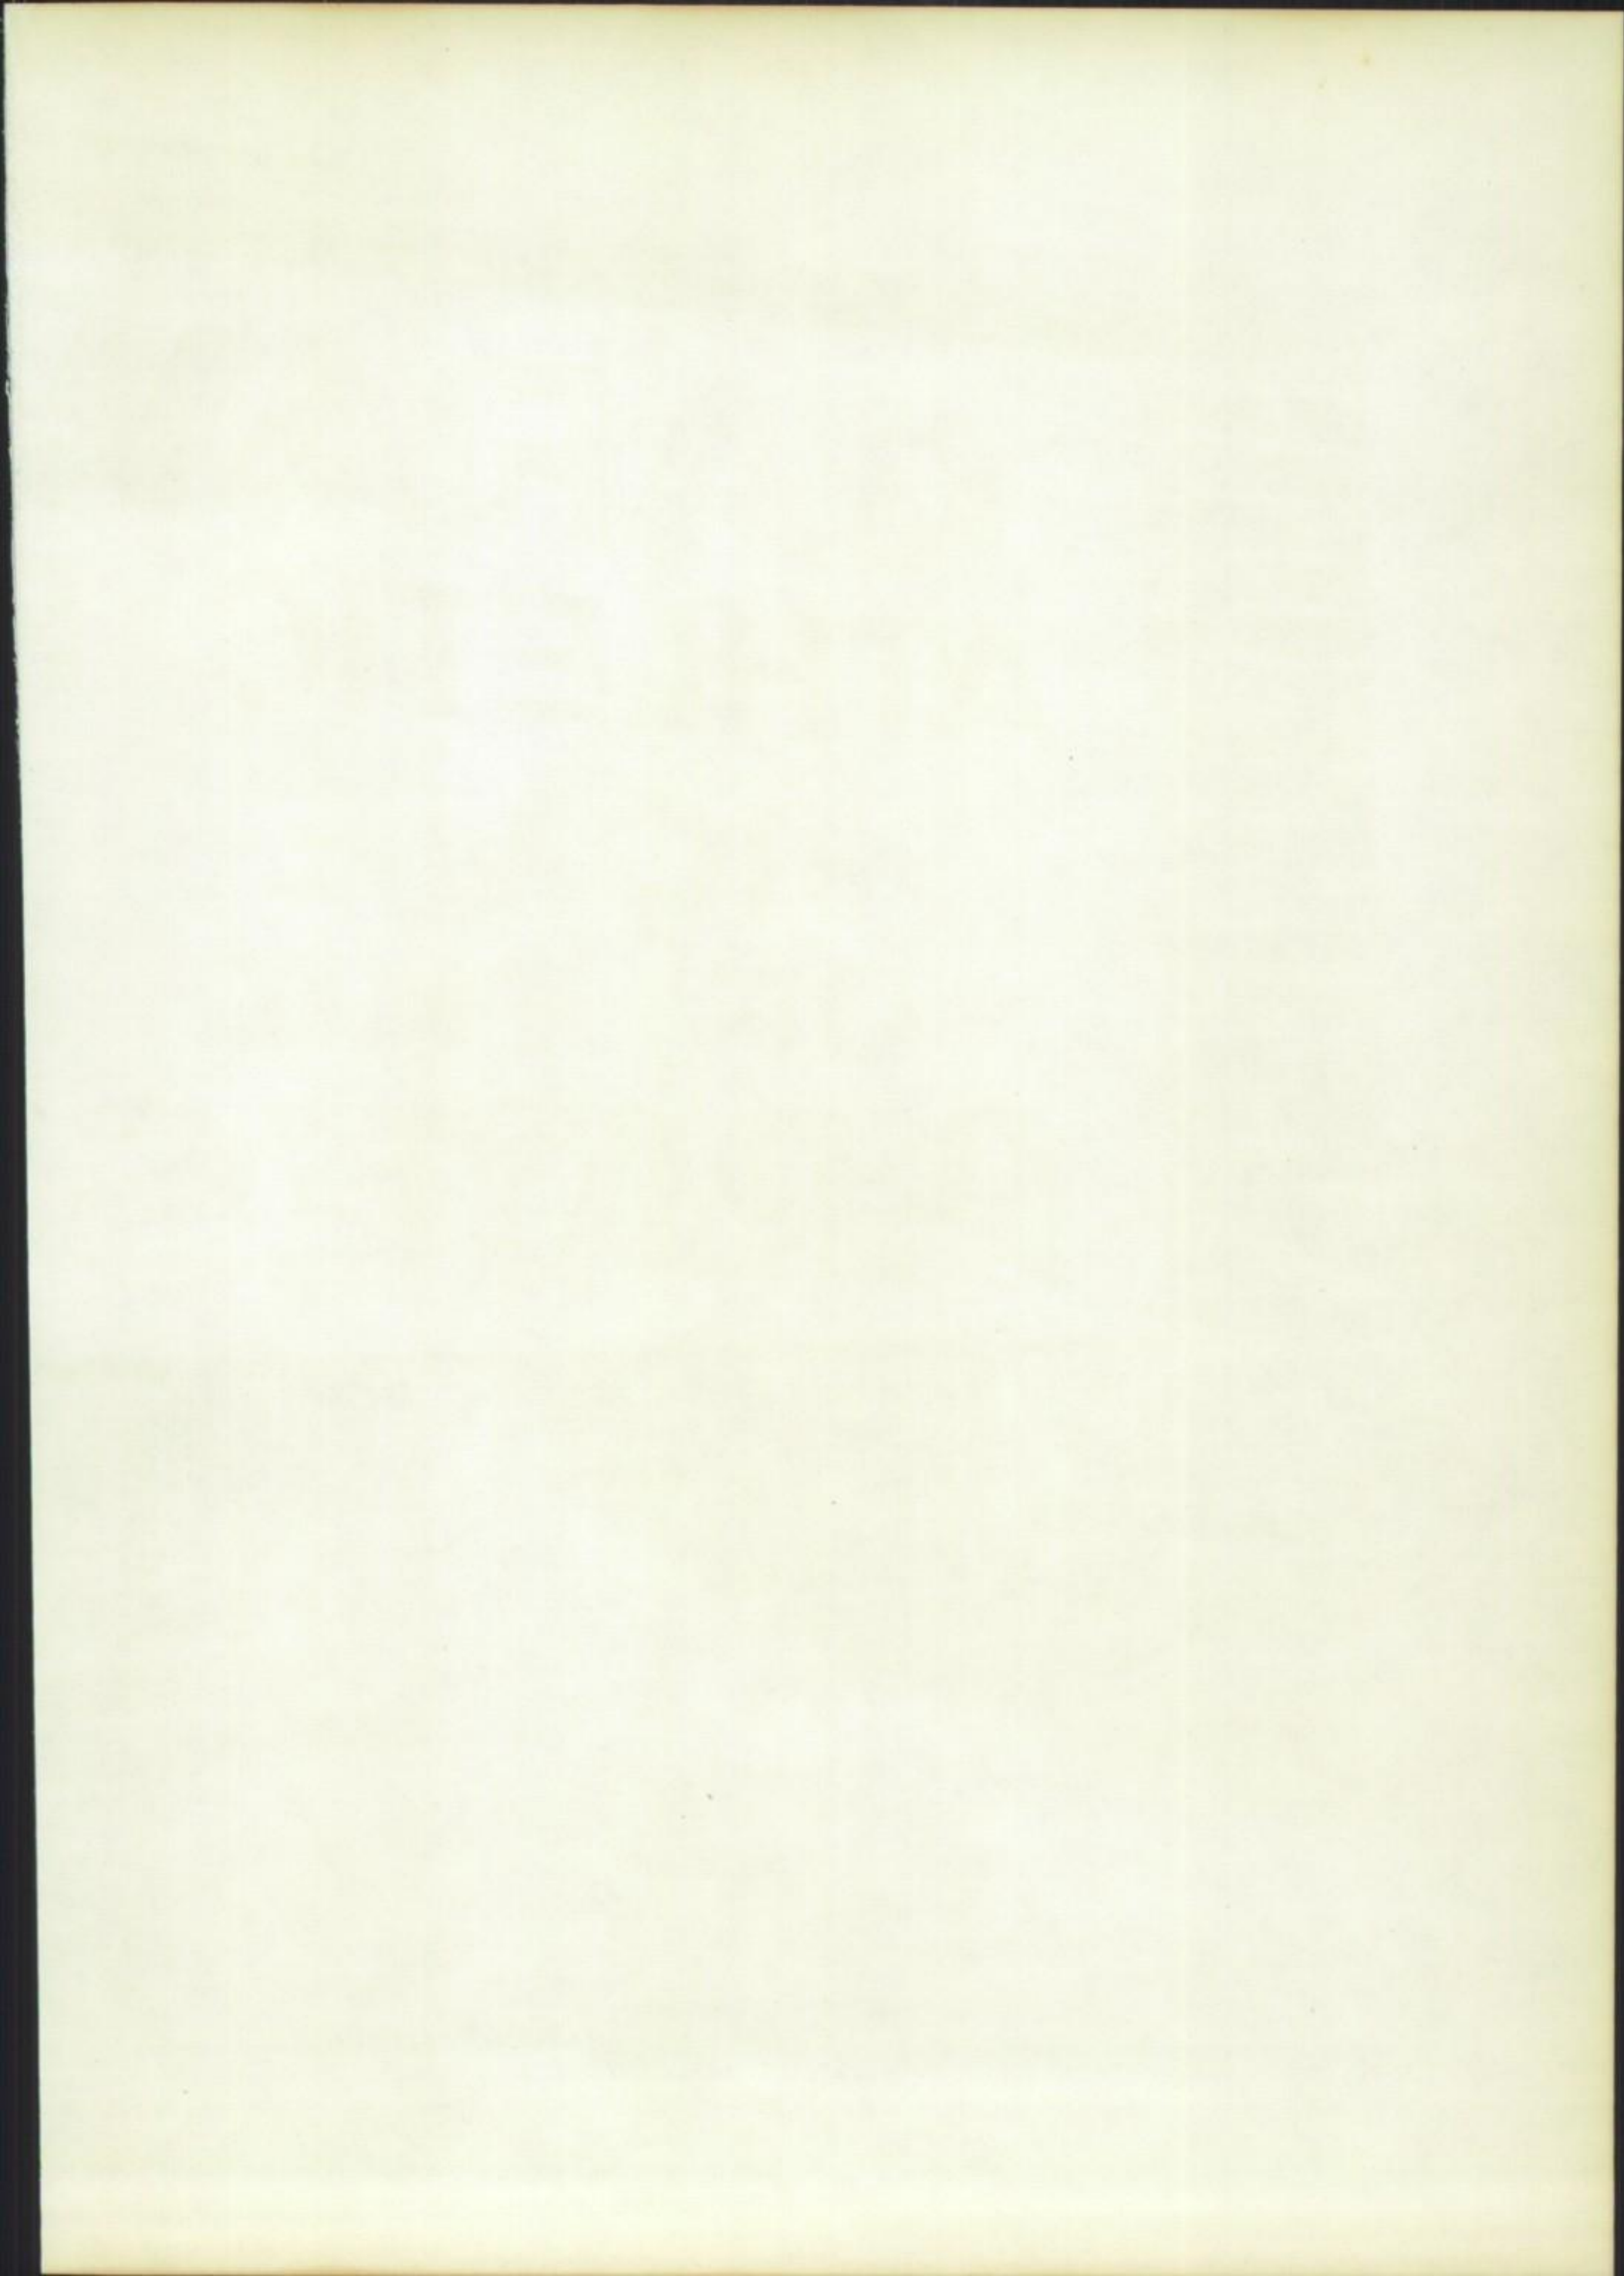

I would like to thank all our advertisers, patrons, boosters, and those who bought yearbooks for their support this year.

This was the first year that the students produced the yearbook. Everyone on the yearbook staff has worked hard to make this the best annual that Garaway has ever had, even though no one had any previous experience.

Also, I want to thank my staff first of all for putting up with me and most of all for the time they spent on the yearbook. My staff consisted of: Debbie Bellville (Ads) and Ada Weaver (Division Pages) - Assistant Editors; Connie Burger and Betty Weaver - Activities Editors; Ina Yoder and Mary Schlabach - Class Editors; Irene Yoder and Bev Kaser - Junior High and Elementary Editors; Pam Dodge and Becky Shaw - Club Editors; Bev Kaser - Art Editor; Terry Zimmerman - Sports Editor; Sue Gonter and Marilyn Troyer - Patrons and Boosters; Ron King, Ned Tango, Jim Harrison, Ray Patterson, and Dick Ladrach - Student Photographers; and Staff members - Jim Stein, Cliff Hartline, Sue Baab, Karen Osborne, Ron Moomaw, Clair Osborne, Ina Hershberger, Diane Weiss, Cheryl Limbacher, Nancy Weaver, Nancy Stein, Chris Wenger, Marsha Henry, Elaine Boyer, Bob Newell, Greg Fuller, Sue Gerbetz, Patt Gerber, Susan Roxas, Diane Geib, and Pat Winkler.

In behalf of my staff, I want to give a special thanks to our advisors Mr. Virgil Bliss and Mrs. Monroe Troyer for their help. Also, to Mr. Racey Morris - Principal, many thanks, for without his cooperation for meeting deadlines and securing ads there would have been no yearbook.
